

India Smart Grid Week 2017

India Smart Grid Forum (ISGF) is a public private partnership initiative of Ministry of Power, Govt of India with the mandate of accelerating smart grids deployment in the country. ISGF work closely with government institutions such as CEA, CPRI, CERC, NSGM and NCIIPC; Ministries such as MNRE, DoT, MoUD, MoHI etc and other stakeholders like state governments, electric utilities and electricity regulatory commissions. With 200+ members comprising of ministries, utilities, technology providers, academia and research, ISGF has evolved as a Think-Tank of global repute on Smart Grids and Smart Cities.

India Smart Grid Forum (ISGF) with support from Ministry of Power, Govt. of India is organizing the 3rd edition of International Conference and Exhibition 'India Smart Grid Week' (ISGW 2017) from 7th to 10th March, 2017 at Manekshaw Centre, Dhaula Kuan, New Delhi. ISGW 2017 is supported by several Ministries including External Affairs. ISGW 2017 is planned as a Conference cum Exhibition that will bring together India's leading Electricity Utilities, Policy Makers, Regulators, Investors and world's top-notch Smart Grid Experts and Researchers to discuss trends, share best practices and showcase next generation technologies and products.

Several International Speakers and Delegates will be participating in ISGW 2017.
